4 negotiable notes and bonds in a principal amount as the board determines necessary to provide sufficient funds
5 for achieving any of its purposes, including the payment of interest on notes and bonds of the board,
6 establishment of reserves to secure the notes and bonds, including the reserve funds created under 17-5-1515,
7 and all other expenditures of the board incident to and necessary or convenient to carry out this part.

8 (2) The board may by resolution, from time to time, issue notes to renew notes and bonds or to pay
9 notes, including interest, and whenever it considers refunding expedient, refund any bonds by the issuance of

9 a week for 2 weeks prior to the date set for the hearing, by publication in a newspaper of general circulation in
10 the city or county where the hearing will be held. The notice must include the time and place of the hearing; the
11 general nature of the project; the name of the lessee, borrower, or user of the project; and the estimated cost
